SCALY, ITCHY SKIN

and Scalp Diseases Cured

by Cuticura.

DSORIASIS, Ecsema, Tetter, Ringworm, Lichen, Pru-

tus, Scald Head, Milk Crust, Dandruff, Barbers',

Bakers, Grocers, and Washerwoman's Itch, and every species of Itching, Burning, Scaly, Pimply Humors of the Skin and Scalp, with Loss of Hair, are positively cured by CUTICURA, the great Skin Cure, and CUTICURA SOAP, an exquisite Skin Beautifer externally, and CUTICURA RESOLVENT, the new Blood Furifier, internally when physiciaus and all other remedies fall.

PROBLESIS, OR SCALT SKIN.

I, John J. Case, D. D. S., having practised destinity in this county for thirty-five years, and being well known to thousands hereabouts, with a view to help any who are afflicted as I have been for the past twelve years, testify that the CUTICURA REMEDIES cured me of Fooriasis, or Scaly Skin, in eight days, after the docrewith whom I had consulted gave me no help or encouragement.

DISTRESSING ERUPTION.

Your CUTICURA REMEDIES performed a wonderfu

cure last summer on one of our customers, an old gentle-man 70 years of age, who suffered with a featful dis-treasing cruption on his head and face, and who had tried all remedies and doctors to no purpose. TRXARAMA, AP.

J. U. linker recently received a circular from Albany in which it was said that for \$700 they would receive \$10,000 in bills which would pass would receive \$10,000 in pills which would pass anywhere. If they had any doubt it was sug-gested that they come to Albany in person and judge for themselves. Mr. Baker accepted the latter proposition and went to Albany. He said the men showed him a trunk full of money, and explained that the bills were duplicates of and explained that the bills were duplicates of regular United States Treasury notes. A trade for \$10,000 was made, and the amount packed into a box and handed to Baker, who paid \$500 in cash, with the understanding that \$400 more was to be paid when the box was received through the express office.

When he and his companion opened the box, which he had seen packed and had in person expressed, it contained a good hard brick. The two greenies consulted a invyer and a suit was filed, and the \$400 was attached in the hands of the express company.

The "Vete" Will Have a Grand Welcom.

The recoption of the Veteran Firemen's Assectation on its arrival home from the trip across the centinent to-night will take the form of a parade that is expected to be "the biggest thing of the kind," in the language of Grand Marshal Stephenson, "that New York Dass seen for a quarter of a century." From 8,000 to 30,000 men will probably be in line, of whom two thirds will wear uniforms so that the procession will be bright with color. The line of march will be from the Weshawkan ferry, through West Forty-second street. Fifth avanus, I wolfth street, Fourth avanus, Kighth street and Broadway, to the beadquarters of the association in Kast Tenth street. Thirty-four organizations will take part in the parade. The Veterans are expected to arrive on the West Spore Railway at 8 o'clock.

We shall continue to keep at the head of the procession in the clothing trade, and whoever has clothes to buy can

depend upon us for the best, always the very best, while as for prices, we give every customer a legal agreement to refund money for any article that can be bought cheaper elsewhere, if promptly returned.

Last week we threw out 3,000 bargain suits at \$13, just to liven up trade—the effect was electrical, and we have very few of the suits left. The last will probably disappear today. This week's bargain consists of

Mr. B. H. Byrd, who is the Postmaster at Lady Lake, Sumter county, Fin., as well as a leading merchant of that place, under date of May 4.

GENTLEMEN: Allow me to congratulate and return thanks for the wonderful success your S. S. S. has proved in my case. You remember about a year ago i wrote you in reference to my case. I was treated by three skillind physicians, but with no relief. I suffered a greatest of the second second points in mast say that the contents of one dozen bottles of S. S. has almost removed a cancer from my face, which no doubt would have soon hurried me to my grave. I shall slaways keep a good supply in my store, and urgo the sale of the same. I do think it is wonderful and has no equal. I am, yours truly.
